# BEES AND BEYOND

**Date: Monday, July 31, 2023**

Time: 6:00 PM to 8:00 PM

**Location: City of Irvine City Hall**

Address: 1 Civic Center Plaza, Irvine, CA

Join **Councilmember Larry Agran** and special guests, **Boris Baer and Barbara Baer-Imhoof**, for an amazing event celebrating nature's pollinators — bees! Through honey tasting, candle making, and captivating hive displays, this family-friendly event emphasizes the importance of bees in our ecosystem and food production. Don't miss this enlightening evening of bee exploration and securing a sustainable future.

Join us for Bees and Beyond as we unite to protect and preserve nature's pollinators, ensuring a flourishing and sustainable future for all. Let's create a buzz together!

**The Office of Councilmember Larry Agran** invites you to an extraordinary event dedicated to preserving nature's pollinators! This free, family-friendly event at City of Irvine City Hall offers a range of engaging activities to deepen your understanding of bees. Bees play a vital role in our ecosystem and food production, but they face numerous threats that require our attention. Join us for an enlightening evening as we delve into the fascinating world of bees, experience the wonders of bees up close and personal, and explore ways to secure a sustainable tomorrow.

- **Explore the importance of apiculture, bee biology, and the benefits of bees.**
- **Learn about responsible beekeeping and best practices for beekeepers.**
- **Discover the latest advancements in honey bee research.**
- **Indulge in honey tasting, delve into the art of candle making, and marvel at captivating hive displays.**
- **Network with like-minded individuals passionate about environmental conservation.**
